

Welcome Letter - From Ms. Reynolds

Fall, 2022

Dear Second Grade Families and Guardians,

Hello! My name is Ms. Reynolds and I will be your child's second grade teacher in Room 216 at Andrew Morrison School. I am excited to have your child in my class this year! I am looking forward to a fun-filled learning experience in teaching all curricular subjects.

Please allow me to share a little bit about myself with you. I have a Bachelor's Degree in Elementary Education and a Master's Degree in Early Childhood.

I have several interests and hobbies that I enjoy. Some of these include reading, listening to music, attending Professional Teacher workshops, and most of all, spending time with my family and friends who have been my biggest supporters during my career in teaching.

Teaching your child will be a gift, and I will do my best to ensure that your child has an active and meaningful learning experience in our classroom. However I cannot do this alone. Please support learning at home by helping your child to complete weekly homework assignments of practicing specific reading /math skills. Our weekly homework packets will be important, and it will serve as a means to enhance what is being taught in our classroom. Weekly homework packets should be completed by the Friday of every week.

Most importantly **READ, READ, READ** with your child. Please have meaningful discussions during the reading time together. I know that with your help we are going to have a terrific school year!

I am looking forward to a wonderful learning year with you and your child! If you have any questions or concerns, please send a text message to our 'Class Dojo'. I will do my very best to respond that day.

*Thank you,
Ms. Reynolds*
